NEW & LIMITED ITEMS

Beets:

Row 7 Seed's Organic Badger Flame Beets supplies will last another 6 weeks or so. County Line's Organic Baby Beets are now in stock; supplies are expected until April or May.

Fennel:

Fennel has become short due to cold weather and small sizing but is expected to improve in early February with the warmer weather.

Lettuces:

Leaf Lettuces have transitioned to Yuma and Imperial Valley. Supplies are steady; quality has been decent but seeing a little epidural peel on Iceberg and Romaine as well as some fringe-burn and discoloration. Jumbo and Petite Romaine Hearts are in stock with good quality.
