MARKET REPORT

SUPPLY & QUALITY UPDATES

ASPARAGUS
Supplies have improved and prices eased, but regional transitions continue to limit overall availability.

STRAWBERRIES
California supplies remain tight as rain impacts yields and quality. Markets have strengthened as demand outpaces supply.

BRUSSELS SPROUTS
Insect pressure continues to limit supplies, with increasing demand supporting higher pricing.

TOMATOES
Markets remain firm, with larger rounds and Romas tight and snacking tomatoes especially limited. Mexican supplies are not keeping pace with demand.
